

## Local Notice to Mariners

Number 117(T) of 2025

05/12/2025

### Scour Remediation Works

**NOTICE IS HEREBY GIVEN** that Scour Remediation Works will be taking place across multiple berths in the Port of Southampton. The works are scheduled to commence from **7<sup>th</sup> December 2025** and be completed over approximately a three-month period.

The works will begin on **41 Berth**, which is currently scheduled for completion within 4 days starting in early December. All operations related to 41 berth will be completed from the quayside using excavators. Following this, **35 berth** will then commence later in the month via a barge alongside the berth. These dates are subject to change based on operational requirements.

*Local Notices to Mariners may be amended or withdrawn at any time. Check Southampton VTS Website for the latest list of notices in force. Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Sailing Organisations should ensure that the contents of this Notice are made known to the masters or persons in charge of their vessels or craft.*

## Local Notice to Mariners

Survey works will be conducted alongside the scour remediation works using either ABP's vessel "SWIFT" or Shoreline Survey Boat "SHORELINE" depending on operational requirements.

"SHORELINE"

"SWIFT"

The barge that will be supporting the operation on 35 berth is Williams Shipping "WILLCARRY 1750"

Vessels will display lights and shapes as required by the COLREGS and will maintain a listening watch on VHF Channel 12. Mariners are advised to keep clear as safe navigation permits, passing with slow speed and minimum wash. Additional information can be requested from "Southampton VTS" on Channel 12.

This notice will be self-canceling on completion.
